NAPA VALLEY BREWING COMPANY CALISTOGA, CA

HANDCRAFTED HOUSE BEERS

American Wheat Ale ABV: 4.4%

Our American-style wheat ale is made from half barley and half wheat, which yields lower alcohol. It's lightly hopped with spicy American varieties which makes for a refreshing finish. This is the perfect summer time beer. Pint 7

Palisades Pilsner ABV: 4.8%

This light straw-colored toasty beer is brewed with German malts, ample amounts of Saaz hops and lagered for a full month to represent a traditional Czech-style Pils. Pint 7

Calistoga Red Ale ABV: 5.4%

Brewed with six malts, this amber-hued ale has subtle tones of caramel, balanced with local, organic Cascade and Centennial hops which contribute to a pleasant bitterness with notes of citrus in the flavor and aroma. Pint 7

Pacific Pale Ale ABV: 4.9%

This American-style Pale Ale has Ivanhoe and Gargoyle hops (both native to California) and lend nice citrus notes to the malt from the Pacific Northwest. This beer is refreshing, hoppy and well balanced. Pint 7

West Coast I.P.A. ABV: 6.2%

This style of beer originated in England to be shipped to their troops in India. In order to survive the long arduous journey by boat, the beer needed to have more hops and higher alcohol content (both preservatives). This West Coast version has a distinct citrus and tropical fruit quality from some new hops grown in Yakima. Pint 7

Dugan Oatmeal Stout ABV: 6.2%

A traditional English style ale with a dark, rich consistency. Brewed to celebrate the life of a dear friend and regular of the Calistoga Inn, it's recipe includes a liberal amount of flaked oats giving it a sweet creamy finish and thick head. Pint 7
